

The High Mountain Chordsmen kick off their Holiday performance schedule, appearing for Acker Night at the Chase Bank on Gurley Street. The Chordsmen, Prescott's chapter of the Barbershop Harmony Society, have been doing this since 1974. In addition to Acker Night, the Chordsmen visit senior centers, spreading the Holiday spirit. This year, they will perform at 16 senior centers over the next two weeks in addition to the Acker Night performance. Having just come off their annual show performance at Ruth Street Theater, the chorus is already planning for their annual "Singing Valentines" program and the 2017 show in November.
